

[Home Page](#)

The screenshot shows a desktop browser window displaying the Formula Roasters website. The header features a red navigation bar with a logo on the left and 'HOME', 'MENU', and 'EVENTS' links on the right. Below the header, a large black and white striped background image features a red Formula 1 race car. To the left of the car, the text 'FORMULA ROASTERS®' is displayed in large, bold, black letters. Below this, a sub-headline reads 'Refuel like a champion at the Formula Roasters!'. A dark red 'CONTACT' button is located on the left side. On the right, there's a 'RACE WEEKEND DISCOUNT!' box with text about podium finisher discounts and a small image of a racing track. At the bottom right is a Google Maps snippet showing the location of the restaurant.

The screenshot shows a mobile browser window displaying the same Formula Roasters website. The layout is adapted for a smaller screen, with the header, main image, and contact information visible. The 'RACE WEEKEND DISCOUNT!' box and the Google Maps snippet are also present at the bottom right.

Events & Activities Page

The screenshot shows a desktop browser window displaying the 'ACTIVITIES' page. The header features a logo on the left and navigation links for 'HOME', 'MENU', and 'EVENTS' on the right. The main content area has a dark background with a large 'ACTIVITIES' title at the top. Below it are two main sections: 'GRAND PRIX VIEWING' and 'RACING SIMULATORS'. Each section includes an image, a title, a brief description, and a 'LEARN MORE' button. To the right, there is a sidebar titled 'UPCOMING EVENTS & OTHER ACTIVITIES' listing three events: 'Podium Photobooth', 'Design Your Livery', and 'Grid Music Sessions'. The bottom of the page features a red footer bar with the 'FORMULA ROASTERS®' logo.

The screenshot shows the same 'ACTIVITIES' page displayed on a mobile device. The layout is adapted for a smaller screen, with the sections for 'GRAND PRIX VIEWING' and 'RACING SIMULATORS' stacked vertically. The 'UPCOMING EVENTS & OTHER ACTIVITIES' sidebar is also present on the right side of the mobile screen. The overall design is responsive, maintaining the branding and event details from the desktop version.
